MISSION

Valor Christian College is a biblically based community of higher learning called to educate and equip Christian leaders in academic excellence, moral integrity, spiritual intensity and physical purity, to be agents of change and models of character and to serve Christ professionally in the advancement of His kingdom.

VISION

To be an internationally recognized, undergraduate Pentecostal and evangelical center of academic excellence and resource for the World Harvest Church, City Harvest Network and other Pentecostal and evangelical churches to educate and train effective, spirit-filled leaders who will change the world for Christ.

GOALS

Valor Christian College offers a solid postsecondary education to Christian ministers and lay workers. The College provides learning in a Pentecostal community that welcomes and includes students from various parts of the body of Christ—both denominational and non-denominational. Valor believes academic success and spiritual maturity are shared responsibilities between the student and the College.

To this end, Valor's goals enable the institution to fulfill its mission by:

1. Cultivating a community of learning centered on the presence of Christ and the authority of Scripture.
2. Providing high quality educational programs and curricula leading to an associate degree and the equipping of students for professional Christian service.
3. Integrating the intellectual and experiential aspects of spiritual formation and ministry development.
4. Facilitating opportunities for students to study the Scriptures in a collegiate setting and to make application in contemporary contexts.
5. Discipling students in a transformative culture of integrity and purity, equipping them to become models of Christian character.
6. Immersing students in the culture of Pentecostal spirituality for empowering them for Christian life and mission.
7. Offering a strong core of general education courses to increase students' knowledge of the world in which they minister.
8. Equipping students for affecting change in every sector of society through the demonstration and advancement of God's kingdom in the earth.
9. Resourcing students, alumni, churches and marketplace leaders for ministry, authentic evangelism, Christian education and cultural transformation.
10. Promoting and modeling the importance of continuing education for the purpose of personal growth, vocational development and the establishing of a lifestyle of life-long learning.

CORE VALUES

Our vision flows out of the organizational core values and our church fellowship's doctrinal statement. The administration, faculty, staff, and board have developed the following value statements. At Valor Christian College, we value:

Excellence

Excellence and Personal Professionalism. We believe the pursuit of excellence motivates us to be better citizens and competent professionals.

Integrity

Integrity before God and Man. We believe God is sovereign in the affairs of humankind, and we are accountable to Him for our actions and attitudes. We believe that we must be respectful of the people with whom we work and live, as we strive to be good, responsible citizens.

Learning

Personal Growth. We believe it strengthens and develops us to be lifelong learners in pursuit of excellence in education and practical experience in life and ministry.

Servanthood

A Servant's Heart. We believe we are called to care about individuals, understand God creates them in His image, and strive to meet their spiritual and physical needs.

Stewardship

Careful Stewardship of Our Resources. We believe everything we have comes from God, and we need to use what we are given to fulfill the vision of the College and to maximize our God-given resources.

Teamwork

Teamwork and Clear Communication. We believe teamwork and clear communication build unity of purpose and enable us to do more together than we could individually.

Vision

A Clearly Defined Vision. We believe a clearly defined vision focused on the future, faithful to our founding principles and strategic in its approach will result in the fulfillment of our mission.

STATEMENT OF FAITH

We believe the Holy Scriptures to be given by inspiration of the Holy Spirit, infallible and God's revealed Word to man (Hebrews 4:12; 1 Peter 1:23-25; 2 Peter 1:20-21; 2 Timothy 3:15-17; 1 Thessalonians 2:13).

We believe Scripture teaches there is only one true and living God who has chosen to reveal Himself as Father, Son and Holy Spirit (Deuteronomy 6:4; Isaiah 43:10-11; Matthew 28:19; Luke 3:22).

We believe man is a sinful being in need of redemption (Genesis 1:26-31, 3:1-7; Ecclesiastes 7:29; Psalm 51:5; John 6:44; Romans 5:12-21; 1 Corinthians 2:14).

We believe in the virgin birth of Jesus Christ, that He is the Son of God and the Son of Man, that He came to save man from condemnation of sin by offering His blood as an atonement, making it available to all who exercise faith in Him (Matthew 1:23; Luke 1:31,35; John 3:16; 1 Corinthians 15:3; 2 Corinthians 5:21).

We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential (Luke 7:50; 1 Corinthians 1:18; 2 Corinthians 2:15; Romans 10:13-15; Luke 24:47; Titus 2:11, 3:5-7; Ephesians 2:8-9; 2 Timothy 1:9).

We believe the Scriptures ascribe to the Holy Spirit the acts and attributes of an intelligent being, and that the works of God such as creation, inspiration, giving of life and sanctification are also ascribed to the Holy Spirit (John 16:13; 1 Corinthians 2:11; Genesis 1:2; Acts 10:19, 13:2, 16:6, 13:4; John 16:8; Mark 3:29; Acts 7:51; Ephesians 4:30; 1 Corinthians 6:11,12; Job 33:4; 2 Peter 1:21; 1 Peter 3:18).

We believe in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life (1 Thessalonians 4:3; 1 John 2:29; Romans 8:5; Philippians 2:12,13).

We believe the baptism in the Holy Spirit is given to believers who ask for it (Joel 2:28; Acts 2:4).

We believe all humankind is subject to the death of the body as a result of original sin. The soul and spirit do not die, but immediately after death enter into a conscious state of happiness or misery according to the character here possessed by rejection or acceptance of the Savior (Romans 5:12; Ecclesiastes 12:7; Philippians 1:23).

We believe in the bodily resurrection of both the saved and the lost: the saved to everlasting life and the lost without Christ to everlasting damnation (Acts 24:15; Matthew 24:31-46; Revelation 22:11).

We believe in the personal, imminent return of our Lord and Savior, Jesus Christ (Acts 1:11; 1 Thessalonians 4:13-18).

We believe the redemptive work of Christ on the Cross provides healing for the human body in answer to believing prayer (James 5:14-15).

Statement on Marriage, Gender, and Sexuality

We believe that God wonderfully and immutably creates each person as male or female through genetic encoding and physiological manifestation before birth. These two distinct, complementary genders together reflect the image and nature of God (Gen 1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the family is God's foundational institution for human society (Matt 19:5-6; Eph 5:22-6:4). Marriage has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Gen 2:18-25).

We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Cor 6:18; 7:2-5; Heb 13:4).

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, polygamy, bestiality, incest, pedophilia and use of pornography) is sinful and offensive to God (Matt 15:18-20; 1 Cor 6:9-10). Anyone engaged in such practices, should be called to turn from their sin and seek forgiveness through repentance and faith in Christ.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11). However, persons who are actively and unrepentantly engaged in any sinful practice that contradicts or undermines the doctrine of Valor Christian College is grounds for discipline. A practice is sinful when it is contrary to the teachings of the Holy Bible.

We believe that in order to preserve the function and integrity of Valor Christian College as a part of the Body of Christ, and to provide a biblical role model to Valor Christian College students and alumni, it is imperative that all persons employed by Valor Christian College in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality (Matt 5:16; Phil 2:14-16; 1 Thess 5:22).

We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Valor Christian College.

ACADEMIC PROCEDURES AND REQUIREMENTS

Educational Philosophy and Academic Freedom

In as much as Valor Christian College is an institution of higher learning, loyalty to and support of the institution and its programs are expected. Concerning academic freedom, the naturally sacred right of freedom of expression is recognized as a requisite for effective and intelligent dissemination of ideas. Nevertheless, there can be no such thing as unlimited freedom of expression in word and act in any school. In addition to universally accepted social limitations such as truthfulness, decency, moral integrity, and loyalty, there are appropriate limitations, which society and a parent organization have a right to expect of its institutions, which are most distinctly devoted to Christian principles.

These limitations do not extend to the suppression of any academic disciplines, [freedom of inquiry] or recognized areas of those disciplines. They do require, however, that all ideas and views be presented in a Christian context. All faculty members who speak or write publicly or in situations growing out of their official capacity on behalf of the school are expected to contribute to the objectives of the school by conforming to them, and by advocating nothing contrary to the Bible, the Word of God written, the Statement of Faith, the stated purposes of the institution they serve, and/or to basic principles embodied in the Constitution of the United States. All are expected to show a respectful and sympathetic attitude toward the doctrines of the Church and toward American principles of government.

Philosophy of General Education

Philosophy

In order to provide for a coherent program of general education, there is a core of general educational requirements for all degree programs. The philosophy behind this approach is to encourage all students to develop a depth and breadth of knowledge that goes beyond their field of specialization. To ensure the fulfillment of this philosophy, VCC provides students with a broad base of skills and knowledge in humanities, social sciences/history, music, natural sciences/math, and composition.

Ministry formation is an integral part of a student's education and is covered in the various professional courses required in the student's degree program. However, VCC also integrates faith and learning across the curriculum to help the student understand a multicultural society and to be able to relate to various people groups. The general education requirements are listed at the beginning of every degree and are consistent with VCC's philosophy of providing a depth and breadth of knowledge to our students. All general education courses shall demonstrate the importance and integration of faith and learning as well as the importance of being a life-long learner who develops a biblical worldview.

Rationale

Valor Christian College believes that general education courses help produce a more mature student and provide a firm foundation for the student to become a responsible citizen and productive member of a multicultural society. This core educational component coupled with training in critical thinking helps the student in his or her profession and specialized area of

study. To reinforce the importance of general education, the College has integrated general education emphases throughout its curriculum. Each professor is expected to accentuate communication skills, computational skills and the role of history and society in each area of specialization. The faculty believes strongly that every student needs to know about the world in order to minister to the world.

Nondiscrimination Policy

Valor Christian College admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, gender, disability, national or ethnic origin in administration of its educational policies, admissions policies, financial aid programs, and other school administered programs. The College reserves the right to withdraw a student for cause at any time.

HIPAA

Valor Christian College has adopted a Health Information Physical Security Policy that complies with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Department of Health and Human Services (DHHS) security and privacy regulations' requirement to protect the security of health information. In addition, we consider it our duty to protect the privacy and integrity of confidential information as required by law, professional ethics, and accreditation requirements.

FERPA

Valor Christian College complies with the Family Educational Rights and Privacy Act of 1974. Public Law 92-380. Student information may be used in-house by personnel for educational purposes. Otherwise, all student records are treated confidentially unless the student has signed a release form. For Valor's complete FERPA statement, go to <http://valorcollege.edu/ferpa>.

Grievance Policy

Valor Christian College provides an atmosphere consistent with its goal of preparing students for Christian ministries. Policies, rules, regulations, and guidelines are established as a framework within which the big "college family" can live harmoniously and with consideration for one another, and for the ongoing purposes of the College.

The College deals fairly with all persons, whether students, staff, faculty, administration, business associates or guests. In the event that a grievance arises, students are urged to follow Scripture's instructions for conflict resolution. This process provides an opportunity for spiritual development for the student. The following guidelines are considered appropriate:

1. Stay calm. Do not do or say things for which you will be sorry, or which will make the solution or reconciliation more difficult:
2. Pray about the matter. God is interested in you as a person and in the kind of person, you are becoming. Pray before starting a meeting with the other party;

3. Let God help you find the right approach to the solution of the problem. Prayer is an effective tool in bringing about resolution;
4. Discuss the matter with the person in charge of the area in which the problem occurs. Try to settle the matter early. Do not let problems build. The College administration expects that the person in charge of the area will make an honest effort to resolve the matter to the mutual satisfaction of all parties concerned;
5. If an understanding is not reached, discuss the matter with the next higher authority. This may be the administrative officer of the College in charge of the specific area involved. Inquire about the proper person to seek about the problem;
6. If no satisfaction is reached by this point, address a letter to the President stating the problem or request. The President will either make a decision or will present the matter to the President's Cabinet.

College personnel cannot always work instant solutions to all problems, but students are among friends who care and who will take all reasonable steps toward the solution of all legitimate problems they may encounter. An administrator or supervisor is required to respond within ten working days.

Students should first attempt to resolve a grievance with the instructor or the faculty advisor. If an issue is not resolved, students should present their grievance in writing to the Dean of Students. Students may also submit a grievance through the online format at the follow address: <http://www.valorcollege.edu/grievance> Please prayerfully consider Matthew 18:15-17 when filing any grievance.

ADMISSIONS

Valor Christian College is an institution of higher learning. Students in such an educational environment are exposed to academic challenges within the context of Christian principles. Students are expected to learn responsibility in their academic endeavors and realize that educational institutions operate on a system of merit. Valor Christian College offers Associate Degrees of Applied Science and One-year certificates only.

Requirements for Admission

Valor Christian College accepts students without regard to race, color, or national origin provided all other entrance requirements are met. However, it is required that all students subscribe to and personally practice scripturally given standards of moral behavior.

1. The applicant should have a definite born-again experience.
2. The applicant must be a graduate of an accredited high school. High school graduates having less than a 2.0 cumulative grade point average (GPA) may be admitted on a limited load (i.e., academic probation) status. These students are limited to 13 credit hours or less during their first semester.
3. Non-high school graduates must pass the GED test.
4. Applicants who have been home-schooled at the high school level must provide a homeschooling transcript—an adequate compilation and summary of records verifying grades and completion. The transcript must include a graduation date, and it must be signed by the student's parents. If adequate records are not available, applicants must

provide an official transcript or documentation indicating that they have taken and passed the GED examination and should provide ACT or SAT scores consistent with the current admissions policy of the College.

5. It is highly recommended that all students attending Valor Christian College carry health insurance.
6. ACT or SAT scores are requested of all applicants and should be sent to Valor Christian College prior to registration. These scores help to assure incoming students begin with a manageable course load and are assigned to appropriate Math and English classes. If needed, students will be placed in developmental classes. The Valor code number for the SAT is 5972 and the Valor code number for the ACT is 4899.

Valor Christian College reserves the right to reject any application or terminate any student at any time for reasons it considers adequate. The application committee also reserves the right to recommend a student for an online program regardless of campus selected.

Admission Process

1. The applicant must complete a formal application form supplied by the College or completed online at www.valorcollege.edu. The application must be accompanied by a \$50.00 non-refundable application fee (domestic students) or a \$75 non-refundable application fee (international students).
2. The applicant must submit a personal testimony, typed and consisting of 300-500 words. Please give attention to spelling and grammar.
3. Applicants must ask their high school to send to the Office of Admissions an official copy of their transcript. The transcript must include the date of graduation. If the student has taken the ACT or SAT, those scores and corresponding dates should also be included; otherwise, the scores must be submitted separately. Applicants who have already earned thirty (30) or more college credits with at least a "C" average do not need to submit a high school transcript. If the applicant has attended another college, an official transcript must be supplied by all colleges attended. Students with a desire to apply for financial aid must have earned 60 credits at another institution and are exempt from submitting a high school transcript.
4. A Pastoral recommendation from the applicant's present pastor who is not a family member.
5. Students from non-English speaking countries must submit a score for the Test of English as a Foreign Language (TOEFL). The score on that test will demonstrate proficiency in English. The Valor code number for TOEFL is 7446. Note: The applicant should allow ample time for the application to be processed. Delay may be caused by failure of persons to complete reference forms or delay in receiving transcripts. The applicant will be advised of acceptance to the College.
6. All on-campus residents must submit a \$390.00 nonrefundable deposit upon acceptance.
 - i. If any baggage is shipped, such must be tagged with the applicant's name and sent prepaid to: Cunningham Hall (Ladies) or Jude Hall (Men) Student's name and Room #, c/o WHC Receiving, 30 Liberty Street, Canal Winchester, OH 43110.
 - ii. Regular mail is sent to: Applicant's Name, c/o VCC PO Box 800, Columbus, OH 43216-0800.
7. Orientation and class registration information will be sent as available.

International Applicants

An international applicant is defined as a person who is a citizen of a country other than the United States and is not a permanent resident as approved by the U.S. Immigration and Naturalization Service. There are some exceptions for those in U.S. territories. Further clarification may be obtained through the International Admissions Office.

Valor accepts international students who qualify to receive an F-1 visa. Applicants must meet the same spiritual, moral, and academic standards as U.S. citizens. In addition, certain financial and language criteria must be satisfied. Foreign students from non-English speaking countries must take the Test of English as a Foreign Language (TOEFL). An international student application packet outlines these requirements in detail.

Admission of Veterans

Valor Christian College welcomes the opportunity to assist qualified veterans in their academic plans and preparation for their future in ministry. Veterans, war orphans, and dependents of disabled veterans who plan to attend the College and claim benefits under any of the federal or state educational programs should apply using the VA's online application <https://www.ebenefits.va.gov/ebenefits/homepage> for a Certificate of Eligibility. The Certificate of Eligibility should be presented to the Valor Financial Aid Department no later than the time of registration. All veterans except Chapter 31 and Post 9/11 Chapter 33 recipients who qualify for a 100% benefit and who do not reside on campus should be prepared to meet the usual financial requirements, which consist of payment in full or a payment plan at the time of registration. Students must be enrolled for 12 or more semester hours to be eligible for full-time benefits. A student cannot receive educational benefits for audit courses. VA regulations require that students take courses that are applicable to their degree program and make satisfactory progress toward their degree. Veteran's benefits will be terminated for students who fail to maintain satisfactory progress or are dismissed for academic or disciplinary reasons. Students are required to notify the Valor Financial Aid Department and the VA Regional Office of enrollment changes and termination of enrollment. The VA toll-free number is 800-827-1000.

Upon submission of the Certificate of Eligibility letter from the VA by the veteran who qualifies for the Chapter 31 or Post 9/11 Chapter 33 G.I. Bill™ benefit to the Valor Financial Aid Department, Valor will not impose any penalty including the following, for tuition and fees covered by the VA:

- The assessment of late fees,
- The denial of access to classes, libraries or other institutional facilities,
- The requirement that the veteran borrow additional funds to cover the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment by the U. S. Department of Veterans Affairs.

Please note that the veteran will be assessed late fees, charged payment plan fees etc. and required to make payment from the veteran's own funds or by borrowing additional funds for charges not covered by the VA.

Readmission

Students who wish to re-enroll after interrupting their studies at Valor Christian College may secure an Application for Readmission from the Admissions Office or complete an application online. A nonrefundable reapplication fee of \$35 must be remitted by all students who interrupt their studies at Valor Christian College for one or more semesters or who have been under suspension from the College. The Admissions Committee must approve the readmission application before the student is permitted to re-enroll. A new pastoral reference form is required of all students who re-enroll. Those who will be living in one of the residence halls must submit a \$390 nonrefundable security deposit. Students who have interrupted their studies are subject to the academic policies in place at the time of their re-entry to Valor Christian College.

Students who have been dismissed from Valor Christian College may apply for re-admittance one year after dismissal, or as otherwise directed at the time of the dismissal. Students may be accepted on a probationary status for one semester upon providing satisfactory, written evidence that the condition for disqualification no longer exists. This policy includes students who leave during a semester without following the proper withdrawal procedure.

Music Ministry Applicants

If an applicant wishes to begin their attendance at VCC in the spring semester, music classes will be limited until fall semester. This translates into a longer fulfillment of requirements (at least five semesters).

The Valor Music Department will contact all accepted students who indicate a desire to pursue the Music Ministry concentration. Interested applicants will be required to submit a digital video demonstrating the musical skills to be reviewed for admission to the program prior to Orientation. The music faculty will determine whether the applicant has the potential to succeed in the Music Ministry concentration. Any student not accepted will be recommended for another program.

Married Student Family/Relocation Policy

Married students must relocate with their spouse and dependent children. Single parents must relocate with their dependent child(ren). Studies at Valor will not be a reason for separation from a marriage partner or child(ren). Students applying for one of Valor's one-year certificate programs may request special permission to relocate without their families for this limited period of time. The request must show how the applicant's family will be cared for during their absence.

Credit by Portfolio for Life Experience

The administration and faculty recognize that many students come to Valor Christian College with college-level experiences that may have been learned outside of the traditional classroom or the academy. Students who enroll in a degree program must apply for credit prior to the start of the semester. Documentation of experiences that will qualify will be requested for approval by the faculty and validated by the Vice President for Academic Affairs. Students will be limited to no more than 6 hours of credit.

Notification of Acceptance

Applicants will be notified in writing of their acceptance with the signature of an Admissions Representative. Valor Christian College reserves the right to deny or revoke admission to any applicant, including, but not limited to the discovery of fraudulent information given in the admissions process, changes in the information given by the applicant, and/or conduct by the applicant that violates the Covenant Code of Honor. In the event the applicant is denied admission to Valor Christian College, the applicant will be notified in writing from the Admissions office. Valor reserves the right not to disclose information regarding the denial of an applicant. Any questions regarding the committee decisions may be addressed in writing to the Admissions Committee.

Registration packets will be provided to students at the designated registration time. Unpaid tuition and fees will be collected, ID badges and proxy cards will be issued, parking stickers will be purchased and other vital information will be gathered. During orientation, the Student Handbook will be introduced, an overview of the library and computer lab will be presented, and other college policies will be discussed.

Accepted students must enroll in the semester of their acceptance. If a student must delay their enrolment then they must request a deferment. Failure to do so will require the student to reapply for admission to Valor.

Students must complete their respective program within 150% of their allotted timeframe.

Assessment and Testing

Valor Christian College consistently assesses the effectiveness of its educational programs and services. This process involves the participation of students in nationally recognized tests and surveys as well as those developed within the College. Information from these sources is used to help evaluate and improve the effectiveness of Valor's educational programs and services, and to make informed strategic planning decisions. Although the type and frequency of assessment instruments may vary according to the needs of the institution, Valor expects each student to engage in the assessment process to promote College excellence. Some of the instruments used may include (but are not limited to) the following:

- Student Satisfaction Surveys
- Course Evaluations
- Graduate Student Survey

New students will immediately engage in the assessment process prior to and during their orientation and registration week. Graduating seniors will participate in exit exams, assessments and surveys as part of the Capstone course.

Returning students will not be permitted to register until all outstanding financial obligations from the previous semester are paid in full.

Valor maintains a current address and phone number for each student. Address forms are filled out at Registration. Included in this form is emergency contact information. If at any time during the semester a change of address or phone number is made, the student must make changes to their contact information in Populi. Students must also ensure that they have an updated FERPA form on file.

In addition, each accepted on-campus student must have a current medical form on file prior to moving into the residence hall.

Financial Aid Overview

Valor Christian College believes that the cost of a high-quality education should not be a deterrent to prospective applicants. In recognition of the concern students and families have with finding adequate resources to meet these costs, our financial aid program is designed to make Valor affordable to those students we admit.

We expect the primary or maximum effort to pay for college to come from students and their families. The system used to determine the family's ability to pay contains the following assumptions:

- To the extent they are able, parents have the primary responsibility to pay for their children's education.
- Students, as well as their parents, have a responsibility to help pay for their education.
- The family must be considered in its present financial condition.
- The family's financial situation must be evaluated in a consistent and equitable manner recognizing, however, that special circumstances can and do alter a family's ability to contribute.
- Most families will need to pay for educational expenses over an extended period.

In the administration of need-based financial aid programs, "demonstrated financial need" is considered the difference between the cost of attending a college and the total family contribution toward that cost as shown in the following simple formula:

Cost of Attendance (COA) *minus* Expected Family Contribution (EFC) *equals* Financial Need

.....

Family Contribution

As indicated above, the parents of a student are expected to make a maximum effort to assist the student with college expenses. Additionally, students have a responsibility to help pay for their own educational expenses. The information provided by families on the Free Application for Federal Student Aid (FAFSA) is used to assist the financial aid office in determining an expected family contribution according to standard federal formulas and institutional policies. In general, the family's income and assets are considered to produce a comprehensive index of family financial strength and capacity to absorb the costs of a college education.

If the full cost of attending Valor is beyond reach, students are first expected to take advantage of assistance available through federal government programs, in addition to scholarships and grants available from private organizations.

- Direct PLUS Loan: Direct PLUS Loans are funds borrowed by the parent for the parent's dependent student's educational expenses. The annual amount borrowed cannot exceed the student's cost of attendance minus the student's other aid.

Student Employment

- Jobs are available on campus to those who qualify. (This employment program is not associated with the Federal Work Study program.)

Private Educational Loans

- Provided by banks, credit unions, etc.: Maximum amount up to the student's COA. This option is not recommended by Valor Christian College unless students cannot fund their education through a combination of personal funds, Title IV financial aid, and scholarships.

VETERAN'S AFFAIRS

VA Benefits

Valor is approved to administer VA Benefits for the training of eligible veterans and their dependents under the G.I. Bill education benefits, Title 38, U.S. Code. Interested parties should contact the nearest Veterans Administration Office (1-800-827-1000) or the Valor Financial Aid Department 800-940-9422 or 614-837-4088 as soon as the student has been notified of acceptance.

Veteran's Refund Policy

In the event that veterans or other eligible persons, sponsored as students under Chapters 30, 31, 32, 33, 35 of Title 38 and Chapter 1606 or Title 10 U.S. Code, fail to enter the program, withdraw or are discontinued from their program at any time prior to completion, Valor will follow

the same refund policy that is used for all other students. Veterans should note that withdrawal and/or dismissal from their program prior to completion of a semester might also result in the need to return funds to the Department of Veteran's Affairs.

For additional information please see Admission of Veterans on page 21.

ABOUT THE LIBRARY

The Valor Library is located in Canfield Hall between The Spot and the administrative offices. It is an integral part of the academic programs at Valor Christian College. Its mission is to provide the resources and services needed to support the instructional program and objectives of the College.

The Library has a collection of over 12,000 items comprising books, periodicals, DVDs, CDs, pamphlets, and curriculum materials. The periodicals collection is limited but many abstracts and journals are on-line through an online database of full text articles. Access to the physical holdings of the VCC library may be searched at <http://library.valorcollege.edu:7777>.

The library collections consist of the circulating collection, the Reference collection, the Thomas G. Bender collection, the Rare Book Collection and the periodicals collection. The Computer Lab is also housed within the library along with a small study area.

LAB FACILITIES AT VALOR

The Valor Learning Center

The Valor Learning Center (VLC) is located in the library. It operates Mondays – Fridays during high peak times. Consultations can also be arranged virtually for our online students.

The VLC supports students in planning, researching and creating papers and oral presentations and sponsors workshops on study skills, communicating effectively and related topics. Students can engage a VLC consultant on a drop-in or appointment basis. Services are free to all Valor Christian College students.

TV Production Studio

This facility is located on the main campus of World Harvest Church. Throughout the year students are involved in various projects, both on and off campus, that offer opportunities to gain experience in video production. These projects include video programs, chapel services, concentration projects, and specially assigned multimedia projects for various organizations. Communication and Media students are heavily involved in all projects in the production studios.

Computer Lab

A computer lab consisting of twelve computers is located in the Library and is available to all current students for school-related projects. Each computer includes the following software: Internet Explorer, Microsoft Office (Microsoft Word, Excel, Outlook, and PowerPoint), and a number of other programs. Personal use of the computers is permitted, but preference is given to students doing schoolwork. The lab is open during normal library hours. Music students can also access Encore for practice and music composition assignments.

Communications and Media

We have added additional computers in the Library with software for communications and media projects. Students will have access to the full Adobe Suite and professional cameras for filming. Students can choose to purchase their own software to use on their computers (PCs or MACs).

Valor Tutors

Valor Tutors are available in the Library for a select group of classes. Tutors are available to all students free of charge.

Keyboard Lab

This keyboard lab is located on the second floor of Canfield Hall and consists of fourteen keyboards. Students must notify the Music Department for access; hours of operation depend upon demand. Students will have access to select music programs and software that can assist with course assignments.

ACADEMIC INFORMATION

Academic Year

The academic year is divided into the semester system, beginning in August and ending in May. Each semester averages 16 weeks in length.

Credit Hour

Students are awarded credit for classes based on the Carnegie unit. This defines a semester unit of credit as equal to a minimum of three hours of work per week for a semester. The Carnegie definition is based upon a minimum length of 16 weeks. Thus, a unit of credit equates to three hours of student work per week (1-hour lecture plus 2 hours of homework or 3 hours of lab) for 16 weeks. In certain circumstances, it is possible to have more hours, but not less.

Student Classification

The student body is divided for class organization based on the following academic classification:

Full-time

Students enrolled in 12 or more credit hours per semester.

Part-time

Students enrolled in less than 12 credit hours per semester.

Online Student

Students enrolled in the Online Program.

Freshman

Students who have successfully completed 1-29 credit hours.

Sophomore

Students who have successfully completed 30 or more credit hours.

ACADEMIC STANDINGS

Academic Warning

Satisfactory academic standing for undergraduate students is defined by having a minimum 2.0 term grade point average for the semester (term GPA). Any student whose term GPA falls below 2.0 for any reason, regardless of cumulative GPA, will receive an academic warning that his or her academic performance for that term has been unsatisfactory.

Academic Probation

Any undergraduate student whose term GPA falls below a 2.0 for two consecutive terms, regardless of cumulative GPA, will be placed on academic probation. Students placed on academic probation must meet with the VP of Academic Affairs to review their academic progress before they can register for the next semester.

Academic Dismissal

Any student whose term GPA falls below a 2.0 for three consecutive terms, regardless of cumulative GPA will be dismissed from the college.

Appeal of Academic Dismissal

A student who has been dismissed from Valor Christian College because of poor academic performance may appeal before the deadline specified in the dismissal letter. The VP of Academic Affairs will meet with the Academic Committee to review all appeals. The student will be notified in writing of the committee's decision.

If the student's appeal is successful, the student will be conditionally reinstated to the college, but will be required to follow the committee's terms of remediation for the following semester. The student must satisfy all of the remediation conditions by the conclusion of the following semester unless the committee approves a different timeline.

Any student whose appeal is denied must wait one semester before re-enrolling. Following academic dismissal, a student may be readmitted based on the following:

1. Having taken college courses at an accredited institution during the time of their dismissal and demonstrating improved academic performance. These courses may be transferred in, but will not adjust the student's cumulative grade point average calculation at Valor.
2. Having been absent from Valor for one semester. The student will return to Valor on Academic Probation and may be limited to no more than 13 credit hours, may be required to repeat necessary courses and may be required to work with learning support resources to improve his or her academic performance.

Any student whose appeal is granted and returns to Valor and is dismissed again must wait at least two semesters to re-enroll. Students must work with the Office of Admissions and VP of

Academic Affairs to petition for re-enrollment. Any student who returns to Valor will have the same financial aid status as when they completed their last term.

All students are expected to maintain compliance with SAP.

Students cannot hold a campus leadership position or participate in promotional tour groups, Remnant or any other VCC platform ministry while on academic probation.

Graduation Requirements

Eligible graduates are evaluated by the Registrar and Vice President for Academic Affairs, and ratified by the faculty prior to graduation based on successful completion of the following:

1. Course of Study

Each certificate and degree program has a prescribed course of study, as outlined in the Academic Catalog. The required total hours and required courses for each program must be successfully completed for a student to be eligible for graduation. It is the student's responsibility to carefully follow the sequence of courses as indicated in the Catalog. In order to graduate, students must have successfully completed all prescribed work with a minimum 2.0 cumulative GPA. Valor Christian College offers Associate Degrees of Applied Science and one-year certificates only.

2. Attendance Status

Students must maintain satisfactory attendance in all classes and Chapel as outlined in the Academic Catalog. Students can check attendance weekly on Populi. Chapel attendance is mandatory and taken seriously at VCC. Attendance will be taken during each chapel service, and absences recorded.

3. Financial Status

All financial requirements must be met, and the student must have a zero balance prior to graduation.

4. Student Ministry

Students must satisfy *all* student ministry requirements, as outlined in the Academic Catalog.

Grading System

All records of attendance and evaluation of assignments and tests are to be maintained by the instructor. Grades earned are recorded on student transcripts. Additionally, grades may be checked throughout the semester on Populi.

Institutional Grading Scale

The official grading scale is published below and will be the official standard for reporting all final grades to the Office of the Registrar. Institutional Grading Scale is as follows:

93-100 A	73-77 C
90-92 A-	70-72 C-
88-89 B+	68-69 D+
83-87 B-	63-67 D
80-82 B+	60-62 D-

78-79 C+

59 – Below F

Grades

In order to graduate, a student must have at least a 2.0 cumulative GPA. Grades are based on the following scale:

A	4.0	C	2.00
A-	3.50	C-	1.67
B+	3.33	D+	1.33
B	3.00	D	1.00
B-	2.67	D-	0.67
C+	2.33	F	0.00

Students receiving a failing grade (F) are encouraged to repeat coursework. The student must repeat and pass required courses in order to be eligible for graduation. The “F” will remain on the student’s transcript as well as the new grade but only the new grade will compute into the student’s GPA. There are no quality points associated with the following grade designations:

WP Withdrawal Passing

F Fail

CR Credit for the Course

I Incomplete

T Transfer Credits

AUD Audit

NC No Credit

Course Withdrawal (WP)

A designation of “WP” on the student’s transcript indicates that a student has withdrawn from a class after the Add/Drop deadline while passing. Withdrawal designations have no impact on the student’s GPA.

Pass/Fail Grades (CR or NCR)

The student ministry grade is very important. A grade of “CR” (Credit for the Course) or “NC” (No Credit) is given for ministry credit. While student requirements are needed for graduation, the grade is not a part of one’s academic GPA. A total of four student ministry credits are required for graduation.

Incomplete Grades (I)

The assigning of incomplete grades is discouraged. If granted, an incomplete grade must be made up within three weeks after the semester ends. If a student does not submit the coursework, the grade will automatically result in failure, unless extended by the administration. A failure cancels any credit and required courses must be repeated.

Transfer of Credits (T)

Students who have attended an accredited college or university may desire to have an official transcript evaluated for possible transfer credit. An official transcript must be sent directly to the Registrar’s office at Valor from the school of origin. Valor accepts credits from an accredited college, if courses are compatible with the student’s degree program and have an earned grade

of “C” or better. Upon request, the student may need to provide further documentation of course content, such as a catalog description or syllabus. Transferred credits will be designated on the student’s transcript and are not computed in the GPA. There is a 20-hour maximum on nontraditional credit, which includes credit by examination (including CLEP, AP), military training and life experience. Valor Christian College follows ABHE’s policy on validating credit earned at an unaccredited institution.

Auditing Courses (AUD)

The decision to audit a course must be made with academic permission at the time of registration or within the allowable time for schedule changes. A student may not change a class course to an audit without approval from the Vice President for Academic Affairs. Audit courses may never be changed to a credit course.

Credit by Examination

Credit by Examination is designed for students who have a high level of proficiency in a subject area. Students must submit a written request to the Vice President for Academic Affairs for permission prior to the start of the semester. Students must score in the 80 percentile or above in order to receive credit. Upon successful completion of an exam, the student will be required to pay all fees associated with finalizing this process. Credit given through examination will be part of the credit hour limit for non-traditional credit.

Change of Grades

In the event of an error in calculating or reporting a grade, the instructor may initiate a change of grade with the Registrar. All grade changes must be approved by the Vice President for Academic Affairs.

Repeat Courses

Courses may be repeated where a student received a letter grade of “D” or “F”. In such cases, credit for the higher grade is used in computing the overall grade point average. For a two-year degree program, a maximum of fifteen (15) hours or five (5) repeated courses will be allowed in determining the number of hours completed in the overall program. Both courses count as attempted hours, but only the higher grade is calculated into the GPA and counted as completed for calculation in the quantitative Satisfactory Academic Progress ratio.

Transcripts

Transcripts are issued to other institutions or the student from the Registrar’s Office upon submission of a completed transcript request form and payment of transcript fee. No transcripts are released for students with outstanding balances on their student account.

Scholastic Honors

President’s List

Students whose semester grade-point average is 4.0 with at least 15 hours of scholastic work are recognized for the President’s List.

Dean's List

A student whose semester grade-point average is 3.5 – 3.99 with at least 15 hours of scholastic work are recognized for the Dean's List.

Honors Graduates

Honors graduates are designated as follows:

Summa cum laude:	3.90-4.00 cumulative GPA
Magna cum laude:	3.67-3.89 cumulative GPA
Cum laude:	3.50-3.66 cumulative GPA

ACADEMIC ADVISING

All students will work with faculty and staff advisors. The advisors will assist in course planning, class schedules, academic progress, and other questions or problems relating to academics at registration. The Registrar and Vice President for Academic Affairs are also available by appointment to discuss a student's academic progress.

Placement Testing

The following guidelines will be used for placing students into developmental courses and Success in College:

- **Fundamentals of Composition:** if a student has a score of 16 or below on the English section of the ACT or a 340 or below on the Verbal section of the SAT; or if a student has demonstrated a strong need for developmental work in composition
- **English Composition I:** if a student has between a 19 and 26 on the English section of the ACT or between a 420 and 570 on the SAT;
- **Fundamentals of Math*:** if a student has a composite ACT of 15 or below or an SAT of 360 or below, if the student does not have transfer credit in a comparable course;
- **Success in College:** a student who has a composite ACT of 17 or below or an SAT of 400 or below will be placed in Success in College, if they have not previously taken it here or transferred in a comparable course. They will be limited to a total of 13 credit hours, which may include developmental courses. All students with no prior college experience will be required to enroll in GEN101 "Success in College", although they will not all be required to limit their credit load.

All students are required to submit a personal statement with their application. The admissions committee will be reviewing this statement and make recommendations for composition placement.

** Students are not allowed to drop or to be dropped from a developmental course.*

Limited Load

Students will be admitted to Valor and be placed on academic probation ("limited load" students) if they have the following:

- **ACT:** 17 or below on the composite

- **SAT:** 410 or below on the verbal
- **GPA:** below cumulative 2.0 high school or transfer

Limited load students can take no more than 12 credit hours until their cumulative GPA reaches 2.0. They cannot hold a campus leadership position or participate in promotional tour groups, Remnant or any other VCC platform ministry while under a limited load status.

Official Withdrawal from the College

Students who register and pay the appropriate tuition and fees, but are unable to complete the semester for any reason, are required to submit an official Withdrawal from School Form to the Registrar. In order for a student to officially withdraw from Valor Christian College, the following steps must be completed:

1. An out-processing meeting should be arranged with the Dean of Students;
2. An official Withdrawal from School Form must be completed and submitted;
3. The student's ID badge, proxy card, and Residence Hall key must be returned;
4. Appropriate Residence Hall paperwork completed (when applicable);
5. Any outstanding debts to the College must be paid in full.

Valor Christian College requires students to give the school notice of withdrawal through the official Withdrawal from School Form. Students will be notified of the determination of refund in writing within sixty days of their last date of attendance. Any tuition refund, minus any outstanding debts, will be issued according to the standard Valor refund policy within 30 days of refund notification.

If the aforementioned steps are not followed, students may be denied reactivation to Valor Christian College if they desire to return. Requests to release transcripts will also be denied. In addition, all courses in which the student was registered will receive a failing grade, and no tuition refunds will be granted.

Unofficial Withdrawal from the College

If a student ceases attending school but does not officially notify the school of their withdrawal, the school will treat the student as withdrawn after 14 days of the student's last date of attendance or participation in an academic activity. The last day of attendance will be the last day the student attends any class.

Credit Hours

Scholastic work is measured according to the semester credit hour. This is equivalent to one class session per week (plus preparation) or two laboratory hours per week (plus preparation) for the length of the semester. A full-time student is defined as one who carries a minimum of 12 hours. However, full-time students will normally carry 18 semester hours of college work. Because of state and accreditation policies, there is a cap of 18 credit hours per semester.

First semester students may be placed on "limited load" if the admission committee believe that a smaller load may be necessary for students to have a strong academic start at Valor. These

students will be limited to 12 hours. A student who chooses to withdraw from a course may not complete this process within three weeks prior to the beginning of final exams. Final dates for dropping and adding classes are published in the College calendar located in the Academic Catalog. Withdrawal from classes after the published date is permissible only by action of the Vice President for Academic Affairs and Registrar.

Academic Semester Load

The typical academic load per semester at Valor Christian College is 15-18 credit hours. Credit hours are assigned according to the number of 50-minute class hours per week within a semester. A student in good academic standing may enroll for a maximum of 18.5 credit hours per semester. After a semester in good academic standing (GPA 2.5 or above), students may request special permission from the Vice President for Academic Affairs to take 19 or more credits hours in one semester. Any additional credits beyond 18 hours will be assessed the hourly tuition rate. Written approval from the Vice President of Academic Affairs is required for more than 18 hours per semester.

Program Time Completion Limitation

The maximum period to finish a diploma or degree program cannot exceed 150 percent of the published length of the educational program as measured in credit hours. When calculating the student's pace score, the College does not include remedial courses into the calculation. If students are not meeting the Pace requirements, they are given a Warning Letter and they must meet more frequently with their academic advisor to devise a plan in order to complete their programs successfully.

Military Training

Students may transfer a total of 12 units of credit from course work taken in the military where such courses are appropriate to the curriculum of Valor Christian College. Transfer recommendations will be followed as contained in the manual published by the American Council on Education.

Change of Academic Program

Students desiring to change their academic program may do so by submitting a Change of Academic Program form in the Registrar's Office and paying the \$30.00 fee. Students making changes should realize that they might be required to attend Valor for a longer period in order to complete the requirements of the new academic program. Students considering a change in academic program should consult with the Vice President for Academic Affairs before doing so. The student will be required to meet the graduation requirements in the current Academic Catalog for the new program.

SATISFACTORY STUDENT PROGRESS AND ACADEMIC PROBATION

Valor Christian College is required to establish, publish and apply reasonable standards for measuring whether a student is making Satisfactory Academic Progress (SAP) in their educational program. This section is in alignment with Federal Regulations 668.16 (e); 668.34. Standards for measuring SAP apply to students receiving Title IV and HEA program funding and

to those students who are *not* receiving any form of financial assistance. Furthermore, all SAP standards apply to every student enrolled in all programs regardless of part-time or full-time status. Please note that there are cases where more than one standard may apply. When more than one standard is applicable, the student must meet the more stringent standard in order to be in compliance.

SAP Standards for Title IV and Non-Title IV Students

There are two components to Satisfactory Academic Progress: (1) Cumulative Grade Point Average (GPA) and (2) Completion Ratio (Pace). In order to maintain SAP the minimum requirements for both components must be met or exceeded.

Valor Christian College requires a minimum cumulative grade point average of 2.0 in order to graduate.

The College has established an academic policy, which includes a graduated Cumulative GPA that allows a student to achieve the minimum requirement. The minimum cumulative grade point average is determined by the number of semester hours attempted. In order for a student to maintain SAP, they must maintain no less than a minimum GPA that corresponds with the appropriate number of attempted credit hours, see below:

Valor Christian College Cumulative GPA Standards

- 1 - 29.5 semester hours 1.80 cumulative GPA
- 30 - 44.5 semester hours 1.90 cumulative GPA
- 45 - 59.5 semester hours 2.0 cumulative GPA
- 60 semester hours and thereafter 2.0 cumulative GPA

Grades for transfer courses are not included in the Cumulative GPA calculation.

In accordance with the above scale, non-title IV students who fail to earn the necessary cumulative grade point average will be placed on academic warning ("limited load" students). Students on academic warning will have until the end of the following semester to remove their warning status, or they will be placed on academic probation. Students on academic probation who earn below a 2.0 term GPA for the third consecutive semester will be academically dismissed. Following an academic dismissal, a student may be readmitted based on one of the following:

1. Having taken college courses at an accredited institution during the suspension and can demonstrate improved academic performance. These courses may be transferred in, but will not adjust Valor's cumulative grade point average calculation;
2. Having been absent from Valor one semester. A student may submit a written request to return which will be reviewed by the Vice President of Academic Affairs. Students will still return with the same financial aid status at their time of dismissal.

Students will meet with the Vice President of Academic Affairs to determine the appropriate courses and schedule for the student to be successful. Repeating courses and working with Valor support services may be mandated by the Vice President for Academic Affairs.

All students are expected to maintain compliance with SAP. Students cannot hold a campus leadership position or participate in promotional tour groups, Remnant or any other VCC platform ministry while on academic warning or probation.

Valor Christian College Cumulative Pace Standards

There is a government mandated maximum timeframe in which students can complete their educational program and still be eligible for Title IV and HEA program funding. The maximum period to finish a certificate or degree program cannot exceed 150 percent of the published length of the educational program, as measured in credit hours. In order to ensure that students enrolled at the varying enrollment levels (full-time, part-time, half-time, and less-than-half-time) are meeting the Cumulative Pace Standard a Cumulative Completion Ratio of 67% is required. The Completion Ratio can be calculated by dividing the number of completed hours by the number of attempted hours. Transfer courses are included in the Cumulative Completion Ratio calculation as completed and attempted courses. Remedial / developmental courses are not calculated in the student's Cumulative Completion Ratio.

Financial Aid Warning

A complete academic report of all students' grades will be evaluated at the conclusion of each financial aid payment period by the academic and financial offices. Based on the evaluation one of the following four actions will be taken:

1. Students who have not met SAP requirements, whose grades are such that it is possible for them to regain compliance with SAP by the end of the subsequent semester, and are not already on Financial Aid Warning will receive a Financial Aid Warning letter and will be able to continue to receive Title IV and HEA program funds for the subsequent semester;
2. Students whose grades are such that it is not possible for them to regain SAP by the end of the subsequent Financial Aid Warning semester will be sent a Denial of Financial Aid letter notifying them that they are no longer eligible for financial aid due to their failure to meet the minimum SAP standard;
3. Students who have failed to meet SAP at the end of their semester on Financial Aid Warning will be sent a Denial of Financial Aid letter notifying them that they are no longer eligible for financial aid due to their failure to meet the minimum SAP standard;
4. Students who were already on Financial Aid Warning who have regained compliance with SAP will be sent a letter notifying them that they are no longer on Financial Aid Warning.

Students denied financial aid for failure to meet SAP may appeal the denial (see "Appeal of the Denial of Financial Aid" below). If the appeal is approved, the student will be placed on Financial Aid Probation and be eligible for financial aid.

Appeal of the Denial of Financial Aid

Valor Christian College is aware that a student may experience unusual and/or unexpected circumstances that are beyond the student's control, which may result in academic performance that does not reflect the desire and academic abilities of the student. Such circumstances may

include death of a parent, spouse, severe prolonged illness, catastrophic events, and unavoidable / unforeseen demands for travel or overtime by one's employer.

The student whose failure to meet the minimum GPA, Pace or the conditions of an Academic Plan as a direct result of such an event may appeal the denial of financial aid due to the circumstance that was beyond the student's control. The appeal must be presented to the Financial Aid Office in writing with documentation. The Financial Aid Committee will review the appeal and determine if it warrants overriding the denial of financial aid. All decisions by the Financial Aid Committee are final and will be communicated to the student by the Financial Aid Office. If the appeal is successful, the student will be placed on Financial Aid Probation and will be eligible for financial aid.

Students may also appeal a subsequent denial for failure to meet the required conditions while on Financial Aid Probation or for failure to meet the terms of an Academic Plan but the appeal cannot be due to the same circumstance or event nor can it be for a similar circumstance or event. In addition to the above appeals, a student may also appeal the denial of financial aid due to a determination that the student cannot meet the maximum completion period of 150% of the published length of the program.

Financial Aid Probation

When students are placed on Financial Aid Probation due to a successful appeal of the denial of financial aid for failure to meet SAP requirements, one of two options will be utilized:

1. If the student can regain compliance with SAP by the end of the semester, the student will be required to enroll in the number of courses necessary to regain compliance by the end of the semester;
2. If the student cannot regain compliance with SAP by the end of the semester, the student will be required to set up an Academic Plan that will allow the student to regain compliance with SAP at a specified date.

Grades will be evaluated at the end of the subsequent semester and one of the following four actions will be taken:

1. If the student regains compliance with the SAP requirements, the student will be sent a letter notifying the student that the student is no longer on Financial Aid Probation,
2. If the student did not regain compliance with SAP requirements, the student will be sent the Denial of Financial Aid letter and will not be able to receive Title IV or HEA program funding from the College.
3. Probation is for one term/payment period only. If students are placed on probation with an academic plan, and at the end of that term they are meeting requirements of the academic plan, then they no longer are considered on probation. See references:
 - <http://www2.ed.gov/policy/highered/reg/hearulemaking/2009/sap.html#probation>
 - <http://ifap.ed.gov/fsahandbook/attachments/1415Vol1Ch1.pdf>
4. If the student fails to meet the conditions of the student's Academic Plan, the student will be sent the Denial of Financial Aid letter and will not be able to receive Title IV or HEA program funding from the College.

If at any time it is determined that the student does not have enough semesters left in the student's degree program to regain compliance with SAP before the completion of the student's degree program, the student is no longer eligible for financial aid.

Financial Aid Suspension/Dismissal

When a student fails to regain compliance with SAP after the Financial Aid Warning, does not appeal the Denial of Financial Aid, or the student's appeal of the Denial of Financial Aid is not approved, the student is placed on Financial Aid Suspension, which means that the student cannot receive Title IV or HEA program funding from the College. However, the student can still attend the College for one subsequent semester. At that time, a student is given the option to meet with an academic officer to set up another Academic Plan to get them back on track. At the close of the semester in which the student is on Financial Aid Suspension, the student's grades and Academic Plan are once again evaluated. If the student did not meet SAP requirements but did meet the student's Academic Plan, the student may continue to attend the College. However, the student cannot receive Title IV or HEA program funds. If the student met SAP and Pace requirements, the student may appeal their Financial Aid Suspension to the Financial Aid committee. If the student did not meet the student's academic plan or SAP and Pace requirements, the student will be dismissed from the College. The Vice President for Academic Affairs will notify the student of their dismissal in writing.

Circumstances for Re-admittance after Dismissal

Following academic dismissal, a student may reapply for admission to the College after having completed at least one semester of Satisfactory Academic Progress at another Institution of Higher Education. The Admissions Committee will review the application, make a determination, and notify the student in writing within 30 days. Title IV students readmitted after withdrawal or dismissal for failure to maintain SAP are readmitted at the same status and must appeal. This appeal must be granted for the student to receive financial aid again.

Answers to Frequently Asked Questions

Students tend to ask how withdrawals, course repeats, incompletes, remedial courses and transfer credits affect their GPA. Outlined below are answers to several frequently asked questions:

Withdrawals

Once a student withdraws from a course, the course is factored into the number of credits that are attempted (Pace/Completion Ratio). If the student withdrawal is completed according to Valor Christian College withdrawal policy, a grade of F is not assigned to the course and the withdrawn course is not included in the Cumulative GPA calculation.

Course Repeats

Course repeats affect SAP standing. Once a student repeats a course, the new grade is factored into the Cumulative GPA and the previous grade is removed from the Cumulative GPA calculation. However, both courses are included in credits attempted (Pace/Completion Ratio)

and are reflected on the student's transcript. Financial aid is available for course repeats of failed courses F, courses with a D, and courses from which the student withdrew W, WF, WP, as long as the student is maintaining Satisfactory Academic Progress.

Incompletes

Incompletes are not calculated in the GPA until the actual grade is submitted. Students who request an incomplete must be passing the course with at least a 70% and cannot petition to complete assignments that are older than 70% of the course content. Students will have three weeks from the last day of the semester or session (online) to turn in all assignments that were approved by the instructor. Failure to submit the work will result in the Incomplete being changed to a Failure (F) in the course. There are no exceptions to this policy. All incompletes must be approved by the course instructor and the Vice President of Academic Affairs prior to the end of the semester or term if online.

Remedial Courses

Remedial courses will count toward SAP requirements; however, they will not count toward graduation requirements.

Transfer Credits

Transfer credits do not affect GPA standing. Transfer courses will be counted toward Pace.

Chapel Attendance

Full-time students are required to attend one scheduled Chapel service each week. Full-time students who have more than seven Chapel absences in a semester will not receive a satisfactory grade for Chapel.

Part-time students (less than twelve hours) are required to attend half of the Chapels per semester of enrollment, but are encouraged to be present as often as possible.

Late Teacher Policy

In the unlikely event a teacher has not arrived within ten minutes of the class starting, the Vice President for Academic Affairs should be contacted immediately. Students are *not* allowed to leave class until they receive official notification. The official start time for all classes will be noted according to the College clock in that classroom.

Leave Policy

Students who encounter unusual and lengthy emergencies may request a waiver of the attendance policy from the Vice President for Academic Affairs's office. Full written documentation of said emergency is required as soon as the student is aware of the need for the absences. The waiver must be approved by the Vice President of Academic Affairs.

Employment and Work Limits

Valor Christian College makes every effort to assist students who wish to find part-time employment. We cannot guarantee employment to any students.

Student Ministry

The practical application of classroom instruction is integral to Valor Christian College's approach to ministry. Therefore, students are encouraged to be engaged in the local church and one of the numerous student ministry opportunities each semester. For full-time students, five hours of student ministry per week are required with two of those hours dedicated to church services. For part-time students, two hours of student ministry per week are required outside of church. Student ministry hours are recorded on a student's transcript, and successful completion of ministry requirements (noted with "CR") must be met for graduation:

- Two (2) semesters of ministry for certificate programs
- Four (4) semesters of ministry for Associate of Applied Science programs.

ACADEMIC EXPECTATIONS AND INTEGRITY

Best Practices

1. Generally, for every hour of class attendance, approximately two hours should be spent in study. A time budget schedule should be prepared at the beginning of each semester so that sufficient time is allotted for study.
2. Students are encouraged to plan and use the library resources on a regular basis.
3. Keeping careful and complete notes in classes is important. Assignments must be typewritten unless a professor requires a different format and submission style.
4. It is the position of the College that the taking of systematic class notes is a much superior method than the use of a recording device. If students want to use a recording device, they must receive clearance from the instructor before using the device.
5. Written work is to be the student's own work with outside sources noted appropriately. Plagiarism is a serious and punishable offense that will result in disciplinary action and possible suspension and/or dismissal from Valor Christian College. (See "Plagiarism" below.)
6. All assigned work is due on the date(s) announced in the instructor's syllabus. Failure to submit work when due will result in grade penalties according to the professor's discretion as articulated in the syllabus. The student is responsible for all make-up work when absent from class.
7. All formal written work and research papers will follow the MLA (Modern Language Association) style unless the professor instructs otherwise.

Plagiarism

Definition

Plagiarism is stealing. It involves using or misrepresenting "as one's own" someone else's ideas without proper credit (Webster's II New Christian College Dictionary, 841). Students who submit as their own work written material that has been copied in whole or in part from another person's writing without proper acknowledgment are guilty of plagiarism. Material, whether

published or unpublished, copied from another writer must be identified by the use of quotation marks and documentation with specific citation of the source. Paraphrased material must likewise be attributed to the original author. Copying another student's paper, with or without permission, or using that student's ideas with only minimal reworking, is plagiarism just as is copying material from printed books and magazines without giving credit to the original source.

Students who engage in one or more of the following behaviors are guilty of cheating:

1. Using unauthorized notes or other material when taking an exam;
2. Copying another person's work and submitting it as their own;
3. Having another person do their work and submitting it as their own;
4. Submitting a paper for more than one course without the knowledge and consent of the instructor;
5. Copying answers to exam questions;
6. Unauthorized securing of exam questions from any source;
7. Aiding another person in securing unauthorized copies of exam questions.

Students may discuss assignments among themselves or with an instructor or tutor, but the actual work must be produced by the student and the student alone.

Procedure for Dealing with Plagiarism

Students who are guilty of plagiarism or cheating are subject to any or all of the following actions:

1. A grade of zero or F for the paper, test or assignment;
2. Failure in or expulsion from the class; and
3. Possibly further disciplinary action, including academic suspension.

Most plagiarism cases are handled by instructors at their discretion. However, repeated offenses and incidents of cheating on major assignments, tests or projects typically require the involvement of the Divisional Chair and the Academic Affairs Committee. Plagiarism is a major violation of academic integrity, and it can result in a student being dismissed from the College.

Computer Access

All college students are required to have regular access to a personal computer and an Internet provider (some computers are available for student use in the library). All students are required to have a valid personal email address on file in the Registrar's Office. All students will be assigned a Valor e-mail address. This email address along with Populi will be used to communicate with each student on behalf of faculty and administration.

Examination Policies

Valor Christian College requires all students to take exams when scheduled, unless a physician-documented illness, a verifiable personal or family emergency or authorized College business prevents the taking of the exam at the normally scheduled time. Early examinations are not allowed. There are no exceptions to this policy.

During examinations, all cell phones, other electronic communication devices, study notes, books and written materials must be placed out of sight of the student. If the student is observed using any of these devices during an examination, the student will receive a zero grade for that examination.

ASSOCIATE OF APPLIED SCIENCE IN MISSIONS

Christian missions is a vehicle for spreading the gospel of Jesus Christ through evangelism, church planting, teaching in Bible colleges, and in social action programs which feed and clothe the needy. It is a means of communicating the gospel across cultures whether in the United States or abroad. The post-modern worldview has required a renewed focus upon the biblical understanding of missions. In addition, the biblical foundation brought a number of changes to the philosophy of missions. Therefore, a number of approaches to missiology are undergoing significant change. Courses in this field include mission anthropology, cross-cultural ministry, world religions, as well as a solid base of instruction in biblical studies and theology.

Upon satisfactory completion of the Associate of Applied Science in Missions, the graduate should be able to:

1. Motivate other Christians to personal missionary involvement using a biblical theology of missions and a sound missionary philosophy.
2. Demonstrate working knowledge of the history of missions, current trends in missionary work, major world religions, and cults.
3. Exhibit skill in cultural encounter, cultural analysis, and intercultural communication.
4. Articulate the unique advantages of Pentecostal missiology both in theology and in praxis.
5. Synthesize a personal plan for cultural adaptation and spiritual impact in their future life in the culture to which they are called.

As in a traditional classroom, online students read texts, conduct research, take notes, answer questions, write papers, and participate in discussions. These activities are conducted via the Internet and email. Students may also work together on case studies, group projects, class reports and other activities.

Registration Prepayment and Refunds for Online Courses

The schedule for online registration is published annually by the Registrar's office along with financial policies. Most often, the registration will occur on or around the same time as the campus student registration. Students must adhere to all deadlines and policies. Online courses continue during the summer. The summer term is available from early May into July.

Vehicles

Students who bring vehicles to Valor Christian College are required by the State of Ohio to carry public liability and property damage insurance. Parking Permits are required for student parking.

Crime Statistics Report

Under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Department of Education requires the recording and reporting of crime activity on college campuses nationwide. In an effort to communicate this information to our students, the crime report is available on the Valor website (<http://valorcollege.edu/AnnualSecurityReport>) and at the Security Department.

Employment

Valor Christian College maintains an employment referral service to assist students in finding part-time employment. Names of prospective employers provide students with valuable leads in securing work. Students must exercise their own initiative in contacting employers. Students who plan to work part-time while in school are advised to come to Valor Christian College with sufficient funds to pay their college expenses.

Student Handbook

The Student Handbook contains school regulations and policies governing student life and activities at Valor Christian College. Students are required to read and abide by these policies.

Housing Policy

All unmarried students (age 35 or younger) with no children are expected to live in the Residence Halls. Exceptions may be made for commuting students who are still living with parents or immediate relatives.

Counseling

Students who need counseling may have one free counseling session. The counselor may refer additional services, which would need to be covered by the student. Any student can request to meet with a counselor by connecting with the Dean of Students or the Vice President of Academic Affairs.

Student Insurance

It is highly recommended that all students attending Valor Christian College carry health insurance. Personal belongings such as furniture, clothing, stereos, etc., in the residence halls, are not covered by the institution's insurance. A Renter's Insurance Policy or a Personal Items Rider under parental insurance may be purchased to cover personal belongings. This insurance is normally very inexpensive.

Placement Service

Valor administration assists students to obtain the kind of ministry for which they have prepared themselves. Pastors as well as regional directors of the City Harvest Network are encouraged to contact the President's Office or the Dean of Students about ministry openings. When possible, personal interviews are arranged.

Orientation

New students are required to attend orientation at the beginning of each semester. Orientation provides a time to update students on new developments and changes at Valor Christian College as well as answer questions and review policies and procedures.

Property Damage

Students are expected to protect and preserve college properties and will be held responsible for damage, whether intentional or unintentional.

Student Discipline

General student conduct is governed by the Bible and the ideas and standards outlined in the Student Handbook. While enrolled at Valor Christian College, students are expected to observe these ideals and standards of conduct, whether they are on or off campus. Valor Christian College reserves the right to require the withdrawal of students because of low standards of scholarship, because of poor physical or mental health, or because of the conflict of their attitudes and standards of behavior with those which the College seeks to maintain. A student who does not fit in with the aims and ideals of the College may be asked to withdraw whenever the general welfare demands it, even though there may be no specific breach of conduct. Refusal to conform to rules and regulations of the College may result in dismissal without tuition or residence hall refund.

Policy on Use of Electronic Devices

As a member of the Valor academic community, each student has a responsibility to professors and fellow students who are members of the College community. When cell phones ring and students respond in class or leave class to respond, it disrupts the class. Therefore, Valor Christian College prohibits the use of cell phones by students in class for voice or text communications. All such devices must be turned off or put in silent mode and cannot be taken

out during class. Wireless/laptop computers, personal electronic devices and similar electronic devices may be used for taking notes in class, subject to the professor's approval. However, these devices are never allowed to be used during exams. They must always be kept in silent mode during class sessions and they may be used for academic use applicable to that course only. Use of an electronic device during an exam, may lead to a charge of cheating or academic dishonesty and additional sanctions listed under the Student Academic Integrity Policies in the Student Handbook. The appeal process is dealt with in the Faculty Handbook (Appeals Committee Divisional Chair and Vice President for Academic Affairs). A sanction for class disruption may be appealed using this appeal process. However, a violation that involves a charge of academic dishonesty must be appealed before the Dean of Students. Students have the right to continue attending class while an appeal is in process.

STUDENT SOCIAL MEDIA POLICY

Social Media are powerful communications tools that allow you to communicate very fast these days and they have a significant impact on organizational and professional reputations. At times these communications blur the lines between personal and institutional voice, therefore Valor Christian College ("The Institution") has constructed the following guidelines and policies to help clarify student expectations for how to best enhance and protect student and Institutional reputations when participating in Social Media.

Because the term Social Media is used a number of different ways, we want to make sure you understand what we mean when we say Social Media. Social Media is any platform that facilitates conversations over the Internet. Social Media applies not only to traditional big names, such as Facebook®, Twitter™ and Instagram™, but also applies to other platforms you may use that include user conversations, which you may not think of as Social Media. In addition to the foregoing platforms, Social Media includes, but is not limited to, YouTube™, Flickr™, Snapchat™, LinkedIn™, blogs and wikis.

We recognize the fact that social networking sites and blogs are popular and that they present an opportunity to share with others in a positive way. However, abuses can occur and it can be difficult to correct an error or retract a statement. Therefore, this policy applies to all student Internet and all other Social Media communications, which include, but are not limited to, Internet or Social Media postings. All student Internet and Social Media communications are subject to this policy and The Institution's Computer, Email, and Internet Usage Policy.

General

All students at all times are expected to reflect a positive Christian testimony and serve as Christian role models. We must hold ourselves to a higher standard when using the Internet and Social Media. The Institution's policies against unlawful discrimination or other harassment apply to any Internet or Social Media communication, or Internet or Social Media posting. Therefore, any Internet or Social Media communication, or Internet or Social Media posting, that adversely reflects on the Christian testimony of our employees, our school, our founding Ministry, World Harvest Church, its affiliates and leadership; any other student affiliated with The Institution, or The Institution's anti-discrimination/anti-harassment policies may result in a

requirement to remove the offending Internet or Social Media communications, or Internet or Social Media postings, and student discipline up to and including expulsion.

Posts made by The Institution or its founding Ministry on current, catastrophic, and/or controversial events have already been vetted in light of our Christian values and would certainly be more than appropriate to re-post. With these thoughts in mind, you should always consider reviewing your posts in light of The Institution and its founding Ministry, which guides all of us. We hold all students personally responsible for all Internet or Social Media communications, and/or all Internet or Social Media postings, as well as any content posted by third parties to students' respective Social Media pages and/or accounts. Students shall exercise good judgment and adhere to the principles of Christian values when communicating on the Internet or Social Media, or posting on the Internet or Social Media. We are to be the reflection of Christ at all times!

Usage

Electronic media and services may not be used for knowingly transmitting or storing any communications that are of a discriminatory, harmful, or harassing nature, or are derogatory to any individual or group, or are of a defamatory or threatening nature, or are for "chain letters," or are for any other purposes that are illegal under any Institutional policy or Federal Trade Commission laws.

Electronic media and services are for school use. Limited, occasional or incidental uses of electronic media (sending or receiving), with prior Institutional permission, for personal purposes are understandable and acceptable, as is the case with limited personal phone calls made with prior Institutional permission. However, students must demonstrate a sense of responsibility and may not abuse the privileges. Students who choose to abuse the privileges will be subject to disciplinary action up to and including expulsion.

Students affiliated in any way with The Institution are not permitted to text or engage in text, email, or any other Internet or Social Media communication with any employee of the Institution or its founding Ministry's employees, outside of The Institution's email and learning management system (i.e., Populi). Students and Institution employees, which includes faculty, shall not engage in any private social media communication (i.e., direct messaging) on any Social Media platform. Institution employees shall only communicate information to students that is of an academic or business nature and should not engage with students on a personal level through email, text or direct messaging on Social Media. Further, Institution employees, which includes faculty, shall not be permitted to use the Social Media platform, Snapchat™. If The Institution's student is a minor (younger than age 18), then the student should only receive information through communication with the student's parents via necessary written/taped correspondence or telephone outside of the approved learning management system for class related communications (i.e., Populi).

Monitoring

The Ministry monitors Social Media as part of The Institution's evaluation of activities impacting the reputation of The Institution and the founding Ministry. The Institution reserves the right in its sole discretion, to review any student electronic files, messages, and/or usage to the extent

necessary to ensure that electronic media and services are being used in compliance with the law and with this and other Ministry policies. Students must not assume that electronic communications are private or confidential.

Sex Offender Information

By law, Valor is required to have the Sex Offender List, maintained by the Fairfield County Sheriff's Department, available to the student population. Sex offenders are required to register with the sheriff's department within the county in which they reside. The list, which gives names and addresses of convicted offenders, is updated at least on a monthly basis. Students are encouraged to check this list regularly to be aware that some of these individuals may live close to the campus. To view the listing, go to the website links below:

Drug Abuse Policy and Penalties

Students enrolled in Valor Christian College are subject to disciplinary action for the possession, manufacture, use, sale, or distribution (by either sale or gift) of any quantity of any prescription drug or controlled substance or for being under the influence of any prescription drug or controlled substance, except for the use of medication in accordance with the instructions of a licensed physician. Controlled substances include, but are not limited to, marijuana, cocaine, cocaine derivatives, heroin, amphetamines, barbiturates, LSD, PCP, and substances typically known as "designer drugs" such as "ecstasy" or "eve." Possession of paraphernalia associated with the use, possession, or manufacture of a prescription drug or controlled substance is also prohibited. The College prohibits the unlawful possession, use, manufacture, or distribution of illicit drugs by employees. The penalty for violation of the College's policy on drug and alcohol abuse may range from a reprimand to suspension. In addition to sanctions imposed by Valor Christian College for violation of the Drug Policy, a student may be subject to regulations of civil authorities. Various local, state, and federal regulations prohibit the illegal use, possession, and distribution of illicit drugs and alcohol. The College reserves the right to refer students to court authorities for any behavior that is in violation of the law. To review Valor's Program for Prevention of Drug and Alcohol Abuse, go to <http://valorcollege.edu/DrugAlcoholAbuse>.

Vacation Periods

Residence Halls are closed at the end of each semester. Students are allowed to stay with the permission of the Director of Housing and will be charged rent. Meals are not available when school is not in session. Residence Halls will be open during fall and spring breaks. No meals will be available during this time. Also, meals may not be available during other holidays such as Labor Day, Thanksgiving and Election Day. Any exceptions will be made by the President's Cabinet. The College reserves the right to close residence Halls.

SUPPORT AND CONTRIBUTIONS TO THE COLLEGE

The tuition rate at Valor Christian College is kept modest so that education is affordable to as many people as possible. The tuition rate is far less than the actual cost of maintaining the College. The College receives no support from taxes or other public funds. Neither is Valor a member of a District or Region within a denomination. Therefore, the amount necessary to meet the financial operation of the College must be received through the gifts and support of interested individuals, churches, districts, and organizations.

How You Can Help

Rising operational costs present a constant challenge in maintaining a balanced budget. Financial stability is impossible without help from friends who believe in the training of future ministers, missionaries and Christian workers. Tomorrow's leaders are being trained today! Alumni and friends are investing in the future!

Church Support

A number of churches all over the nation have written Valor into their yearly budget. Monthly contributions of varying amounts are received from these churches as part of their World Ministries giving.

Individual Donations

Many friends of Valor help by making outright gifts of cash, property, or other assets as they are led and enabled by the Lord.

Annuity Agreements

A concern for good Christian stewardship has caused some friends to give a portion of their savings to carry on the work of ministerial training at the College while at the same time receiving a regular, generous, income for life. The rate of return depends on the annuitant's age at the time the agreement is made.

Life Agreements and Trusts

Friends can transfer to Valor securities, cash, or real estate with the donor retaining a life interest in them. That is, donors and/or survivors continue to receive income as long as they live. After the death of the donor and/or survivor, the property is retained by the College for the support of its mission for the training of ministers and leaders, or it may be distributed otherwise depending on the terms of the agreement.

Wills and Bequests

Christian stewards can determine and specify what happens to their money or other property after they have passed on. Thus, they can insure their money will be invested in God's service even after death.

POLICY CHANGE

The information contained in this Catalog is valid for the 2019 – 2020 academic year. It is the student's responsibility to stay on top of current regulations, curricula, and the status of specific programs being offered. Further, the College reserves the right to modify requirements, curricula offerings, and charges, and to add, alter, or delete courses and programs through appropriate procedures. However, students will be allowed to complete their degree under the Academic Catalog in which they enrolled as long as they remain an active student and do not withdraw from the school. While reasonable efforts will be made to publicize such changes, students are encouraged to seek current information from appropriate offices.
